SUPPLEMENTAL CITATION UNDER 37 C.F.R. § 1.97 **TECH CENTER 1600/2900**

Sir:

Attached is a Supplemental Form PTO-1449 listing several documents cited in the International Search Report for the corresponding International Application Number PCT/US 01/04492 not more than three months prior to the filing of this Statement. A copy of each document, including the Search Report, is enclosed. It is requested that the Examiner consider these documents and officially make them of record in accordance with the provisions of 37 C.F.R. § 1.97 and Section 609 of the MPEP. By submitting the listed documents, Applicant in no way makes any admission as to the prior art status of the listed documents, but is instead submitting the listed documents for the sake of full disclosure.

Applicants wish to bring to the attention of the Examiner that Cite No. 20 is a duplicate of Cite No. 16 (cited in Supplemental Information Disclosure Statement filed September 13, 2001), which reported the author's name incorrectly. Applicants respectfully request that the Examiner correct this reference in the record of this application.

Respectfully submitted,
